

Dear Golden Eagle Family,

It's with great excitement that I write this letter announcing our plans to build a brand-new football/soccer stadium at Lon M. Spivey Field. Our current bleachers and press box have been on campus for decades and have served us well through the years. However, they don't meet current safety codes and we have had multiple instances of people tripping and falling in them at games the last couple of years. We believe now is the right time to invest in upgrading the facilities for our student-athletes that compete in football and soccer and invite supporters like you to be a part of our growth at PDA.

We received bids from four different companies on building an approximately 500 seat stadium with attached press box meeting all current Americans with Disabilities Act (ADA) requirements. PDA Alumnus Storm Page of Gilbert Construction in Florence presented the chosen bid. The proposal will replace the bleachers on the Home Side, Visitors Side, and Home Side Press Box, along with all necessary site work. The plan is to have the new stadium constructed and in use for the first game of the 2023 football season.

This is undoubtedly a very ambitious campaign that we are about to undertake. Our total price to complete this project is \$250,000. Every contribution, no matter how big or how small, will help lay the foundation for the success of this project. I have no doubt that with the help of the PDA Family we can make this dream a reality. Listed on the accompanying sheet of paper are the contribution levels, as well as our 'thank you' gifts for your generous support of this capital improvement project.

If you wish to contribute, please make checks payable to Pee Dee Academy and mail them to Pee Dee Academy, P.O. Box 449, Mullins, SC 29574 – Attention: Jonathan King. If you would like to donate via Venmo, the school account is @PeeDee-Academy – denote it's for the stadium. If you have questions about this project, send me an email or give me a call; I would love to talk with you about the stadium. Thank you in advance for your support of Pee Dee Academy and being a valued member of our 'family.'
